

## MK 6.2

### - new 6,5" 2-way speaker kit

Performance series MK6.2 is a brand new 16,5cm (6,5") 2-way component kit with a separate 16 mm mylar tweeter. Install the tweeter on the dashboard or recessed in the door, all mounting parts are included.

The bass driver has a cone of paper reinforced with textile fibres. Together with a powerful magnet system it guarantees a good bass control. Grilles are included.

Small filter boxes with a 12 dB slope crossover to the tweeter.
